

Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Tuesday 30 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Prolonged sunshine and feeling very warm.

Today:

A fine and dry day across the region with spells of sunshine, although some patches of clouds are possible at times. Feeling very warm inland with light winds. Maximum temperature 22 deg C (72 deg F).

Tonight:

Remaining dry with long clear periods for all, although some cloud will slowly develop from the west of the region overnight. Minimum temperature 5 deg C (41 deg F).

Wednesday:

Cloudier at times but another dry day for all with plenty of sunny spells throughout. Maybe some patchy low cloud in the far west. Feeling warm, particularly inland. Maximum temperature 21 deg C (70 deg F).

Outlook for Thursday to Saturday:

Sunny spells on Thursday. Still warm but breezy and turning colder overnight. Cooler on Friday and Saturday with possible frost overnight, but staying dry with sunny spells.
